

# Autumn Term 2 Curriculum Overview

## Year 1

### English - Writing

The clock tower story – writing a beginning, middle and end

We will orally compose and record a sentence

We will be learning to use the correct punctuation for a sentence

### Maths

We will be looking at ways of doing addition and subtraction, for example, part whole models and using number lines.

We will also look at 2D and 3D shapes, learning their names.

### English - Reading

In our CUSP reading we will be reading Beegu, Where the Wild Things Are and The Storm Whale and making predictions and learning how to retrieve information.

### Science

We will be learning about the Seasons and how they are all different – we will consider the differences in trees, the weather and things we do.

### Geography

We are learning to draw simple maps and finding human and physical features in our local area.

### PE

Show good control and co-ordination in large and small movements.  
Move confidently in a range of ways, safely negotiating space.  
Handle equipment effectively.

### Music

We will use instruments and voices to perform a medley of Christmas music.

### Computing

We are learning how to understand, create and follow algorithms.

### PSHE

Our focus is emotions and citizenship and working together.

### RE

We are looking at how light is used to celebrate different festivals.

### Art/DT

We will design, make and evaluate Christmas cards with moving parts.
