

Spring Term 1 Curriculum Overview Year 5

English - Writing

This half term we will be focussing on writing a third person narrative set in another culture.

Then we will move onto play scripts, based on one of Shakespeare's plays.

Maths

Multiplication, Division and Fractions are the main concepts we are focussing on during maths this half term.

We will be focussing on multiplying and dividing larger number as well as finding fractions of amounts.

English - Reading

In Reading we will continue to focus on understanding vocabulary and develop retrieval and inference skills. We will first be focussing on 'A Midsummer's Nights Dream' and then 'I'm Not a Label'.

Science

The children will be studying the physical properties of materials this half term. We will be looking closely at dissolving, creating mixtures and separating mixtures.

Geography

Our enquiry question this half term is:

What Is the significance of waterways?

PE

In PE this half term, our focus will be on gymnastics.

Music

All the learning will be focused around one song: Make You Feel My Love. We will learn to sing, play, improvise and compose with this song.

Computing

In Computing sessions, we will be looking at Vector Graphics and using computers to

PSHE

We will be focussing on citizenship-working together.

Spanish

We will continue to learn new words and phrases with a focus on animals and pets.

RE

The Big Question In RE this half term is 'What do Hindus believe and how does this affect their lives?'

Art / DT

During Art sessions we will be focusing on drawing skills including, line, form and tone.
