

Music Intent Statement

At Gunthorpe Primary School, our music curriculum intends to inspire creativity, self-expression and encourages our children on their music journeys as well as giving them opportunities to connect with others. We hope to foster a lifelong love of music by exposing them to diverse musical experiences and igniting a passion for music. By listening and responding to different musical styles, finding their voices as singers and performers and as composers, all will enable them to become confident, reflective musicians. Many of our children enjoy whole class instrumental tuition, which enables them to leave our school with a musical skill for life.
