

Aims and objectives:

- Improving the provision of PE and sport in school.
- Recognising the contribution of PE to the health and well-being of children.
- Increased participation in sports to have a positive influence on the concentration, attitude and academic achievement of all children.
- Enhance and develop current provision in line with current in school initiatives.
- Encourage and improve number of pupils taking part in extracurricular sports activities.
- To introduce and develop outdoor and adventurous activities within the school offer.

Funding – Sports Premium £19,560

Priorities

- Develop the PE curriculum in both Key Stages and that is consistent across school in order to provide better quality provision
- Seek and implement greater value for money in relation to resources used to facilitate and enhance the curriculum
- Implement resources that can support the new curriculum
- Enhance existing sports clubs / fixtures / coaching provision to show a greater number of children taking part in sport
- Develop a greater understanding of PE assessment
- Improve the number of children taking part in exercise and promote a healthier lifestyle

Success Criteria

- Continue to develop a refined Physical Education curriculum across school
- Make links with an outside agency to deliver sessions for target children (ESA & YDP & PREMIER EDUCATION)
- Intra and inter school events organised at Gunthorpe Primary School.
- Continue with School Games / Festivals / links with Arthur Mellows Village College.
- Promote a healthy lifestyle and an understanding of why this is important throughout the school.

“Ofsted’s new Inspection Framework, which came into effect from September 2019, gives greater recognition to schools’ work to support the personal development of pupils, such as the opportunities they have to learn about eating healthily and maintaining an active lifestyle. Inspectors will expect to see schools delivering a broad, ambitious education, including opportunities to be active during the school day and through extra-curricular activities. Schools should consider how they use their PE and Sport Premium to support this.”

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

School focus and intentions	Funding allocated	Actions to achieve	Monitoring process	Evidence and impact
Invest in new PE equipment when needed	£4200	Children have more opportunities as equipment is replenished	Consistent use of equipment so good knowledge of when to reorder	New and safe equipment being used in school. More/new opportunities for the children as they are able to access a wider range of skills and knowledge, increased development of their abilities.
PE courses to upskill staff	£300	Applying for any necessary courses that are on offer to the school	Regularly check emails sent to the school	Higher quality of lessons being delivered, increased subject knowledge. Able to deliver more tailored lessons for the foreseeable future.

Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement

Ensure upper KS2 children are leading games on KS1 playground at lunch times and getting the younger children involved	Included in the Soke Cluster £3600	All older children experience leadership and young children experience teamwork and exercise	Rotate the children delivering the sessions weekly and consistently get feedback from them	KS2 children are more confident in themselves. KS1 children have role models and new/different relationships. Empowers the KS2 children allowing them to make a difference on the younger children. Provides KS1 children with a new engagement at lunch times.
Promote healthy eating, mental wellbeing and being active	N/A	Target children to become more aware of what they are eating and when they are exercising. Individuals picked to attend extra sporting sessions e.g. weekly Boxercise.	Check assessment levels half termly of the children involved	To be set up Spring Term 1 All children participate in the Daily Mile at least 3 days a week as recommended. Hand

		Weekly Tuesday well-being assemblies Working with Peterborough Environment City Trust to gain knowledge and resources to help with educating the children		selected children have taken part in various extracurricular sessions. Children regularly reminded about the correct foods to eat and how important a healthy diet is.
Begin new method of assessing children in PE	N/A	Children will be assessed regularly	Liaise with DHT and monitor the assessment method	Easier identification of children's progress. Children are assessed every half term to keep a consistent measure of their progress so that the school has lots of evidence.
Outdoor gym to be installed on part of KS2 outdoor area	£10,000 Plan to order in 20-21 academic year	Increased amount of exercise for children across the school. A new and appealing method of fitness	Providing children with different activities to complete on the equipment	The children are provided with an alternate and new way to exercise during their school day. The equipment is brand new and is a sustainable part of fitness and PE for the school for the long term and future.
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				
Give KS2 children the chance to learn to ride their bike safely	Free	Selected KS2 year groups will be given the opportunity to work with an outside agency to achieve safer biking on roads	Make sure children are aware of the upcoming opportunities	Children becoming more aware and safer when riding their bikes to school. Gives the children the tools they need to stay safe through their childhood and gives them a good understanding of road safety as well when they are out in public.

<p>Year 4 children will be given the chance to have swimming lessons in the Autumn term Year 6 children will be given the chance for top up sessions in the summer term</p>	<p>Funding not from Sports Premium</p>	<p>Children will be able to confidently swim and will feel more safe when in water</p>	<p>Children are assessed at the end of their allocated lessons</p>	<p>Children will leave the school being able to swim. At the end of the academic year 2018-2019 41% of Year 6 children could swim competently, confidently and proficiently over a distance of at least 25 metres. 2020-21 Target of 82% 63% of children could use a range of different strokes effectively 58% of children could perform a safe self-rescue in different water based situations. Children should be encouraged to attend swimming sessions outside of school to improve their ability. Children will leave school having had lots of swimming lessons and be well equipped to respond in water environments.</p>
<p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</p>				
<p>Enter Gunthorpe into competitions where the children can compete competitively against other Primary schools. Soke cluster sports partnership</p>	<p>£3600</p>	<p>Children to enjoy planning a variety of sports To get children into different sports Allow children to understand competition</p>	<p>Photos of competitions Fixtures of games Children to evaluate their time at different festivals and events</p>	<p>Class competitions have been entered. Children have enjoyed this and used skills in PE lessons. Gives children the chance to compete against other schools in a safe environment and helps to develop their skills further and gives them an</p>

				opportunity to reach an elite level in the future.
Plan all PE lessons in line with Cambridgeshire scheme of work.	£300	High quality planning	Review planning and share with other staff member's different ideas.	Higher quality PE lessons delivered across the whole school with good structure. Consistent lessons delivered to give children the best opportunity to learn and develop. Good resources used to provide good learning.
Involve external companies with after school clubs to deliver a wider range of activities and sports for children	£4275	Children get to experience new activities that they would not normally have a chance to do	Consistent contact with coaches	Improved and new experiences for children. Enables children to receive a variety of activities and reaches out to some niche groups not often picked up in core lessons. Unlocks new skills for the children and improves wellbeing.
Engage children in the process of gardening and link to healthy eating. Make links to the kitchen	N/A	Children will become more aware of where their food comes from, how to grow different foods and what healthy foods taste like. Food grown in the garden will be used in the school dinners.	Taste food grown and get the children to comment on this. Photos	Cooking room has been set up. After school cooking club set up with smaller afternoon cooking sessions also running with children in school. Healthy eating is included in PE lessons as well to improve retention of information for the children.
Key indicator 5: Increased participation in competitive sport				

Use Youth Dreams Projects to complete extra-curricular clubs in the school day for targeted children. Boxercise and lunch time sessions	Included in £4275 used on external companies	Target children to develop a way of using their energy and applying different skills.	Look at progress levels of the children and their general wellbeing	Higher participation from children. Less confident children are able to have the opportunity to learn new skills in a more tailored and friendly environment.
Hired transport to sporting events	£1062	Children are given more opportunities to go to new events	Check Soke cluster calendar to ensure event maximisation	New experiences for children to try new sporting events. Allows all children to participate and helps provide new opportunities.
School sports day & medals	£142	Arrange sports day and order medals for children to earn from their races	Meeting with SLT before Sports day to confirm races and sports day date	Children get sense of achievement, feel proud. Rewards children for their hard work and leaves them with a sporting legacy. Allows all children the chance to participate in front of their parents to help build confidence and recognition.
Extra sessions for more able children	£300	YDP running a session for a select group of higher ability children	Communication with coach and alternate the age of children participating	Opens up more opportunities for children to progress in PE and sport. Allows children to make the next step in their development and increases the likelihood of progressing to an elite level of sport.
Dance sessions for KS2 children	Included in £4275 for clubs	Premier Sport delivering dance specialist sessions after school	Termly review on style of dance and children targeted for this club	More opportunities available for children and new experiences.
