

# Autumn Term 2 Curriculum Overview

## Year 6

### English - Writing

We will begin by writing first person narratives with a moral. Then we will move onto explanatory texts, using our science focus. We will finish with writing speeches to present our point of view.

### Maths

In Maths, we will start the half term looking at Multiplication and Division. After we will spend the majority of the half term focussing on Fractions. To finish, we will be converting units of measurements.

### English - Reading

In Reading, we will be focusing on justifying our opinions using evidence from the text. We will be exploring other reading skills through the book Pig Heart Boy.

### Science

This half term in science, we will be learning about The Circulatory System, where we will explore how the heart works together with the lungs to keep us living.

### History

Our big question is:  
How did the Normans help to shape Peterborough?

### PE

Our focus in PE this half term is Tag Rugby.

### Music

In Music we will be exploring jazz music and using improvisation skills.

### Computing

We will continue looking at computing systems and networks with a focus on AI.

### PSHE

In PSHE we will be celebrating differences and why we are all special.

### Spanish

We will be learning the key phonemes to facilitate accurate pronunciation.

### RE

Our focus this half term is Christianity, in particular the bible.

### Art/DT

Our big question in Art is: How does the use of scale and perspective help artists make drawings of buildings look realistic?
