

PSHE & Well-being Intent Statement

At Gunthorpe primary school, we believe that PSHE has the power to enhance the health and wellbeing of all children, their families and the whole school community. It has a positive influence on the ethos, learning and relationships throughout the school. It is central to our values and to achieving our school's aims.

Our PSHE curriculum helps children to develop the knowledge, understanding, skills and attitudes they need to live confident, healthy, independent lives, now and in the future, as individuals, citizens and workers. It is embedded within wider learning to ensure that children learn to develop resilience and healthy relationship skills, which they will practise and see enacted in the school environment.
