Introduction

Under the Equality Act 2010 schools are required to produce an Accessibility Plan. The purpose of the plan is to:

- Improve the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Our school aims to treat all pupils fairly and with the up most respect by providing access and opportunities without discrimination of any kind.

Legislation and Guidance

This document meets the requirements of the Equality Act 2010. The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long term' adverse effect on his or her ability to undertake normal day to day activities.
