

Dear Parent/Carer

A warm welcome to you and your child as you join our Explorers Out of School Club at Gunthorpe Primary School! We are delighted to have you with us and look forward to providing a safe, fun and inclusive environment where every child can thrive beyond the school day. We aim to provide:

**A Safe and Nurturing Environment**

Our qualified staff ensure a high standard of care in a supportive environment where children feel relaxed and happy. Every child is welcomed as an individual, and we work hard to create an atmosphere where they can unwind after a busy school day or start their morning in a calm and positive way.

**Opportunities for Play, Creativity, Social Development and learning support**

Children can enjoy drawing, board games and crafts, with a quiet area available for homework and reading, as well as outdoor play and social time with friends. Our activities encourage creativity, teamwork, problem-solving and communication skills, helping children to build friendships and confidence in a relaxed setting. We provide opportunities to support learning through homework and reading support, helping children to stay on top of their schoolwork in a supportive environment

**Flexible Support for Working Families**

We understand the demands on busy families, and our club is here to help. We offer flexible arrangements to meet your needs, with bookings available on a regular or ad hoc basis. Whether you need care every day or just occasionally, we're here to provide reliable, high-quality childcare that gives you peace of mind while you're at work.

**Healthy Food and Good Habits**

We will provide a healthy breakfast at the start of the school day and a healthy snack at the end. We respect all dietary, religious and medical requirements, ensuring every child's needs are met with care and attention.

We hope this pack provides you with the information you need but if you have any questions please do not hesitate to contact us.

Yours sincerely
