

Dear Parent/Carer

Thank you for your interest in our Pre-School at Gunthorpe Primary School. We're delighted that you have chosen us for your child's early learning journey. Choosing the right setting for your child is an exciting and important decision to make. At Gunthorpe Primary School we understand this, and we are committed to ensuring both you and your child feel welcomed, supported and excited about this next step.

Our Pre-School offers the opportunity for your child to begin their educational journey in the same nurturing environment where they'll continue through to Year 6 should you also choose us for their primary school. Regular contact with our Early Years team means your child will already know the building, the routines and the adults who will support them in Reception, making their transition into 'big school' even smoother.

We offer outstanding play and learning opportunities delivered by our experienced Early Years practitioners for children from the age of two. Our Pre-School is well-resourced with engaging toys and activities, and children benefit from free-flow access to our lovely outdoor learning space, where learning comes alive through exploration and discovery.

As part of Gunthorpe Primary School, your family becomes part of our whole-school community from day one. You'll build lasting relationships with staff and other families, and you and your child will benefit from:

- Participation in whole-school events, celebrations and assemblies
- Access to our school facilities
- The same values and ethos that run throughout our school
- All your children in one place, simplifying drop-offs and pick-ups
- One point of contact for your family's educational needs

We hope this pack provides you with the information you need but if you do need any further information or have any questions please do not hesitate to contact us.

Yours sincerely
